Commissioner's Report

- Hope Coalition
- Wyoming County Republicans golf tournament
- River Day at Riverside park
- Meeting with Vision to discuss Assessment office software
- Linked in class with Chamber
- HANDS and John Alunni at Mehoopany elementary
- Meeting with Brady Realty to obtain letter needed to prove Ag building is worth more than the \$125,000 that we paid for it. In her opinion, it is worth way more than that based on comparables that she had pulled and it is definitely worth nearer to the \$900,000 that we have it valued in our assessment office
- Meeting with Lake Winola senior residents by Tom Henry and Stacy Huber to discuss a few problems that they had during the power outage
- Midsummer Fling sponsored by the chamber
- Disappointing news received. County share of mental health funding is level compared to last year and we were hoping for an increase in this year's state budget which did not happen. We had been anticipating more that would have allowed improved and expanded services.
- Lake Carey Day
- Election grant webinar
- CCAP weekly membership call
- Meeting with Judge Shurtleff to discuss front door replacement
- Housing Authority
- Heart & Soul
- Wyoming County Chamber summer fling
