

WYOMING COUNTY
INDUSTRIAL DEVELOPMENT AUTHORITY
September 18, 2026
AGENDA

Call Wyoming County IDA meeting to order

Public comments for action items only before vote

Approve Agenda

Approve minutes of August 25, 2026 meeting.

New Business/Action items:

- Discuss and approve to make a motion to consent to, or confirm no objection to, utility crossing of the recorded walking trail easement associated with the PSP/Sunnyside Road project, including electric, gas, water, sewer, communications, drainage, and related utility infrastructure, provided that such crossings do not obstruct, materially interfere with, or impair public use, access, maintenance, repair, or operation of the walking trail; that no poles, guy wires, anchors, transformers, pads, cabinets, or other ground-mounted utility facilities shall be installed within the walking trail easement area unless separately approved by WIDA; and that any disturbed portion of the trail or trail easement area shall be restored in kind or better than existing condition.

Public Comment on non-action items
