Public Comment:

Ms. Gregory and Ms. Swank from Occucares discussed various schematics regarding the use of two vendors for the Probation drug testing. Krystle Kowalczyk, Director of Probation, explained that intake will choose one vendor based on convience but will not be allowed to switch back and forth. The rates provided in both RFP's were exactly the same and the decision to contract with both vendors was to provide more business throughout the County as well as to provide more options for Probation based on location and availability. Fees will be communicated to each of the vendors and Ms. Kowalczyk hopes to implement these contracts as soon as possible.

John Alunni, Human Services Director, discussed the shipment of the Deterra packs which are being sent to each County resident within the week. This initiative is being funded through the Opioid Settlement committee.

Connie Kitner asked the Commissioners where she could send volunteers looking to help with various projects and committees throughout the County. John Alunni pointed her toward CASA, Court Appointed Special Advocates, which recruits, trains and supervises volunteers who help children navigate through the court system.

Tom Henry called for an Executive Session at 10:54 a.m. No action taken following the Executive Session.

There being no further business to come before the Commissioners at this time. Ernie King made the Motion to adjourn. Tom Henry second the Motion. Rick Wilbur was also in favor. Motion carried.
