Correspondence

- Letter from DCNR sent via email on November 12 that was picked up in spam. After seeing comments on facebook about the Seneca Park grant being turned down, we called DCNR and received a copy. Our grant for handicap accessibility, pavilions, cooking stations and other amenities has been turned down because it is a very competitive grant and the amount of grants applied for were more than the money available. We are in contact with DCNR and will be meeting with them soon to discuss how to run the park and for advice on how to proceed with resubmitting the grant again.
